

TOGETHER WE CAN ACHIEVE SO MUCH MORE.

You might know the Y for athletics but we are also about academic achievement.

OUR CAUSE

The Joe and Mary Mottino Family YMCA makes strengthening our community our cause. By providing quality programs that encourage youth development, healthy living, and social responsibility, we enable all people to be strong in spirit, mind and body. For almost a decade, thousands of individuals, young and old, have turned to our Y for programs and services every year, because we've been that reliable, dependable, friendly non-profit that they know and trust. We count on the generosity of members, partners and donors like YOU to help them be more healthy, confident, connected and secure.

Meet Nicholas!

Nicholas is one of our camper's at the YMCA. Nicholas and his family have their share of struggles to overcome. Without the help of the Y Nicholas would be at a disadvantage. The Y has provided Nicholas with structure and belonging in addition to strong role models that he can look up to. Since Nicholas' first summer at Y he has gained confidence and has made lots of friends. Nicholas' mom says, "The Y went above and beyond and took the extra time to work with him! The YMCA staff gave Nicholas a second chance when no else would." Because of the wonderful generosity of fundraising dollars and the Y's partnership with the Women's Resource Center, Nicholas was able to come to summer camp for free this year.

This year alone our Mottino Family YMCA provided 277 camper scholarship spots in partnership with the Women's Resource Center!!

YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of adults who care about them and believe in their potential. We see every interaction with young people as an opportunity for learning and development.

HEALTHY LIVING

Health and well-being are all about balance. That's why we help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all backgrounds improve their health and well-being, we build a stronger community.

SOCIAL RESPONSIBILITY

With our doors open to all, we work every day to connect people from all backgrounds and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

GIVE TODAY

We have an extraordinary opportunity to ensure a brighter future for our Joe & Mary Mottino Family YMCA community, but we must take action today, and only your support will make it possible.

When you give to the Joe & Mary Mottino Family YMCA, your gift will help young people achieve their full potential, empower people of all ages to lead healthier lives, and strengthen the bonds of our community in Oceanside, Vista, Fallbrook, Bonsall and North Carlsbad.

Together, we'll take on many of the greatest challenges facing our young people, our health and our community.

Now, when you think of your YMCA you'll know it's more than just a gym... it's a cause. A cause, that, with your generous support, will continue to strengthen the community in which you live. **GIVE. AND DO SO MUCH MORE.**

\$50 per month makes it possible for a family to become members of our Y who otherwise could not afford it.
